

IGNATIUS OF LOYOLA

This course introduces people to the richness of the spirituality of Ignatius of Loyola (1491 - 1556) who was a pioneer in proposing ways for the individual to attain spiritual freedom. His reflection upon his relationship with God and documentation of his understanding has transmitted to us great wisdom in The Art of Spiritual Direction and the discernment of spirits in our life. This wisdom takes clear and compelling form in his Spiritual Exercises.

Our one year course – often referred to as the ‘Top-up Course’ - runs alongside our 3-year course. To find out more about our history and all our courses please visit our website:

Quotes from previous students:

‘A wonderfully lifegiving and enriching experience which has served to deepen my own spirituality, enhance my understanding, love and respect for the Exercises and hugely inform my practice.’ Caroline Welby (2018)

‘Doing the Top Up Course, nine years after doing the original Ignatian course was a great way of reconnecting with the Exercises. It was a real gift to be able to spend time immersed in them, looking at resources and interacting with fellow students. It was quite hard work but VERY worthwhile!’ Marjorie Arnold (2018)

THE COURSE

This one-year course aims to **form participants** in giving the Spiritual Exercises of St Ignatius of Loyola. This course is considered as Continued Professional Development and is for people already trained in spiritual direction. The course may also be suitable for previous graduates from our 3 year Ignatian training as a way to refresh their ability in giving the Exercises.

The course provides participants with the opportunity to engage with the theory and application of the **text of the Spiritual Exercises**.

In addition, participants are helped to **develop further their skills in spiritual direction**, especially the competence and reflective practice needed to be able to give the Spiritual Exercises by the 19th Annotation. There are regular appraisals and assignments throughout the duration of the course.

The course is an ecumenical Christian course and is open to people of goodwill from all traditions. It is led by an experienced staff of lay people, religious and clergy.

The course will run from September to June on Wednesdays (11am - 4pm). Venue is the London Centre for Spiritual Direction, Lombard Street, London EC3V 9EA.

There is a lot of interest in this Course and places are limited, and will be given on a first come, first served basis.
